Unless, of course, the market is closed.
In that case, go home and pack a suitcase. Take your shopping list and some walking shoes. Then catch a steamship bound for Europe. Use the six days on board to brush up on your Italian.
From the jungles of Sri Lanka to the apple orchards of Vermont, the energetic little baker searches far and wide to find the finest ingredients for her apple pie. Marjorie Priceman’s deliciously silly adventure comes complete with a real recipe for apple pie!
