Happy Day

It was May and Annie was happy.
So many good things were happening.
Her cousin, Henry, was having a birthday.
The tulips she planted were blooming. And on her porch someone was making a nest. The nest was in a safe little spot.
Annie had seen it one day when she was reading with her bunny, Snowball. “Snowball, look!” Annie had said. “A nest!”

Annie called Henry next door and asked him to come and see the nest. He did.
When a mother robin builds a nest on Annie's porch, Annie can't wait to show her favorite cousin, Henry. Every day they watch the nest grow bigger and bigger. One day five small eggs appear. But it is not easy to wait! When will the baby birds hatch?
