If you take a careful look, you’ll see how creatures in this book are CAMOUFLAGED and out of view—although they’re right in front of you.
The **BUTTERFLY** that you see here

Used by Permission
just folds its wings...
to disappear.
This MOTH will do a different thing.
Go on a nature hunt! Play Mother Nature’s clever game of hide-and-seek, and discover a beautiful butterfly, a feeding praying mantis, and a variety of other intriguing insects in Ruth Heller’s brilliantly illustrated book.
