God Makes Wonderful Things

Do you see the moon in the sky? Do you see the stars? Do you see the bright light from the sun? Long ago there was no moon. There were no stars. There was no bright sun to give us light. The sky was dark and empty.
Do you see your family? Do you see your friends? Do you see animals and birds? Long ago there were no people. There were no animals and birds. There were no trees or flowers. There was nothing at all.

God makes everything. He makes the sun, moon, and stars. He makes the world. He makes animals and birds. He makes flowers and trees. God makes all these beautiful things for you and me. Thank You, God, for everything.

God Makes Adam and Eve

God makes beautiful things in the skies. He makes a wonderful world. Then He fills His lovely world with special things. Everything is bright and beautiful.
