Native America; Columbus and Other Explorers

Part One: Refer to *Historical Atlas of the World*, page 23.

- Choose 3 distinct colors to shade these empires on your map: Maya, Inca, Aztec.
- Label each area (or create a map key) and include dates.

Part Two: Refer to *Historical Atlas of the World*, page 52.

- Draw the route of Norse exploration; label with dates.
- Shade and label these areas: Inuit (Eskimo) Peoples, Dene (Athabascan) Nations, Algonquin Nations, Northern Iroquois Nations, and Anasazi.
- Spend some time reading the other Native American groups labeled with red words; some will sound familiar to you.

Part Three: Refer to *Historical Atlas of the World*, pages 38-39.

- Spend some time reading the map to locate Columbus's four voyages and other explorers' routes.
- Draw and label Columbus's first voyage in 1492.
