MY FATHER'S WORLD®

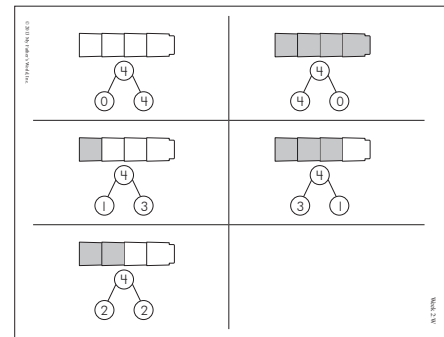

Learning God's Story (First Grade) Teacher's Manual and Student Sheets were revised February 2023. Dimensions Math® 1A-1B is now scheduled in the Teacher's Manual, with minor changes to math-related Student Sheets.

If you have an older TM, we make it easy to upgrade to the new edition, at about half price. See mfwbooks.com for samples and details.

To use these Student Sheets with a Teacher's Manual printed before February 2023:

- New sheet Week 1:M – Cut apart the cards. Have students match them to practice reading number words.
 - Sheets for Unifix Cubes – We moved these sheets to match the order of Dimensions Math®. Find each sheet, write the old date in the top corner, and move to the right week to match your older TM. The new format illustrates number bonds, an important concept in Dimensions Math. See the sample of how to complete. You can also write equations by each picture ($4+0=4$, etc).
- Week 2:W 4 cubes (old date Week 7:M)
Week 2:W 5 cubes (old date Week 7:T)
Week 2:F 6 cubes (old date Week 7:W)
Week 3:W 7 cubes (old date Week 7:TH)
Week 3:F 8 cubes (old date Week 8:M)
Week 4:M 9 cubes (old date Week 8:T)
Week 4:T 10 cubes (old date Week 8:W)
- Week 5:F Sunshine Café Addition (old date Week 8:TH)
Week 8:F Sunshine Café Subtraction (old date Week 11:W)
Week 12:F Rainbow Market Addition (old date Week 9:M)
Week 14:F Rainbow Market Subtraction (old date Week 11:W)
 - Week 25:M 100 Chart (old date Week 26:M)

Each student will need his own set of Student Sheets. Additional sets are available from My Father's World.

Please do not photocopy any of the Student Sheets; they are protected by copyright. However, we give permission to photocopy the Sunshine Café and Rainbow Market sheets that say "This page may be photocopied" at the bottom.
